Professional Summary

Motivated and detail-oriented Computer Science Engineering (AI & ML) student with a strong interest in Artificial Intelligence, Machine Learning, and emerging technologies. Passionate about learning new concepts, solving problems, and improving technical skills through projects, hackathons, and continuous learning. Possesses strong communication skills, adaptability, and the ability to work effectively both independently and in team environments.

Key Skills

- Strong Communication Skills
- Problem-Solving Ability
- Analytical Thinking
- Team Collaboration
- Quick Learner
- Adaptability
- Time Management
- Attention to Detail

Experience & Achievements

Smart India Hackathon 2025

2025

National Level Hackathon Participant

- Collaborated with a cross-functional team to develop and present AI-driven solutions for real-world problem statements.
- Applied structured problem-solving, idea validation, and critical thinking under strict time constraints.
- Demonstrated adaptability, teamwork, and the ability to deliver quality work in a competitive environment.

Pragati: Path to Future — Infosys Springboard

Aug 2025 – Oct 2025

Cohort 6 Participant

- Completed a structured learning program focused on professional skills, digital literacy, and technology readiness.
- Improved communication, professional development, and technical learning skills.

Cloud Computing Course

2025

Self-Directed Learning

- Gained knowledge of cloud service models (IaaS, PaaS, SaaS), virtual machines, and deployment concepts.
- Developed understanding of cloud scalability, security, and modern computing environments.

Technical Skills

- **Programming:** Python, Java, JavaScript, C
- **Concepts:** Data Structures & Algorithms, Debugging
- **Tools:** VS Code, Cloud Platforms

Education

B.Tech — Computer Science Engineering (AI & ML)

2024 – Pursuing

PSCMR College of Engineering and Technology

Intermediate

2022 – 2024

Sri Durga Malleswara Siddhartha Mahila Kalasala, Vijayawada

SSC

2010 – 2022

Sri Sathya Sai E.M High School, Vijayawada

Strengths

- Self-Motivated
- Positive Attitude
- Leadership Skills
- Continuous Learner
- Hardworking
